Re: Jason DePaoli

Dear Lt. Brown: ✓

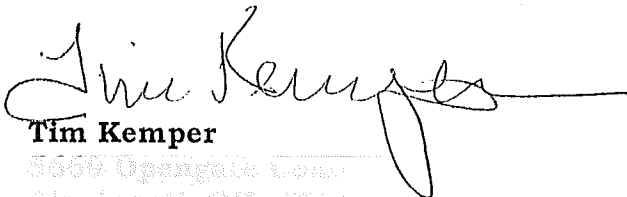

In a time when police are under a microscope and every move is criticized, I wanted to take a minute and let you know how well Officer DePaoli represents the Cincinnati Police Department.

This morning, my 17 year old son was involved in an automobile accident this morning. Minor damage to the car but an injury to his left hand. This was my son's first car accident and first encounter with a police officer. Officer DePaoli's demeanor reinforced to my son that despite what is reported on the news, especially recently, the police truly are dedicated professionals who deserve the respect so many do not give them.

Officer DePaoli responded immediately and could not have been more professional, courteous and reassuring to my son. Fortunately, the other driver was cited, but Officer DePaoli displayed the same courtesy to the other driver as he did to my son, and truly exemplified a professional.

My thanks to Officer DePaoli, you and all the CPD officers for your service to the City of Cincinnati. ✓

Best regards,

Tim Kemper

Chief Blockwell ;

A little positive note of praise.
I was involved in a very minor
traffic accident 3/14/15 at 1703
Dale Street.

District 4 officer Winstead, Badge
No. P912 responded to do the report.

Everything about him was a fine
example of a police officer.

His mannerism, His impeccable
dress, His handling of the report,
His presentation and explanation to
me and the other person involved in
the accident was exceptional.

I do appreciate our local police and
detest the negative news our thin Blue
Line too often receives.

Dear Officer Haas,

It is still officially winter for another week, so I guess I can still use my winter stationery.

Thank you for coming to my rescue today when I had a flat tire on Findlay St. in the West End. Although I travel this way once a week, from I-75 South, Liberty St. exit, east on Findlay St. to Central Parkway, then park at the St. John Social Services Center parking lot, I felt leery and anxious this morning when I was stranded. (This was a wake-up call to me not to let my service days on my cell phone expire!) My car was undriveable, and I didn't know where to go or whom to trust, so I hailed a commercial truck, and the driver phoned 911 for me.

When you ventured by, Officer Haas, I was so glad to see you! You knew how to change my tire and changed it! You knew whom to phone to get air put into my spare tire. You advised me to buy a new tire or get the damaged one repaired ASAP; I bought a new tire today at Michael Tire, and they put the spare tire back in the trunk. You also advised me to get my spare tire checked for air once a year. I hadn't known about that. You even guided me to Reading Road!

For all of these things, done with good humor and kindness, I am grateful. Thank you.

Sincerely,
Julie Waddell

Dear Captain,

You may be aware that we recently had an event at Our Daily Bread, causing us to evacuate the building for the safety of our guests. ✓ Officer Charles Knapp and many other officers participated in successfully diffusing the situation and removing the threat.

We are grateful for ^{our} community police force and value our partnership. They are a fine example of honorable police work worthy of respect and admiration. We appreciate you - and wanted you to know.
